## **FOR IMMEDIATE RELEASE**

### **the Spaceless Gallery at NADA New York 2026**

*The Starrett-Lehigh Building, Chelsea, New York | Booth A12*

The Spaceless Gallery is pleased to participate in the 12th edition of NADA New York, presented by the New Art Dealers Alliance at the Starrett-Lehigh Building in West Chelsea.

For this year's fair, the gallery presents works by Kristen Giorgi and Olga Sabko. Conceived as an atmosphere of stillness, the booth brings together two practices shaped by sensitivity, presence, and interiority.

Across painting and material gesture, the works are in conversation with one another of texture, rhythm, silence, and emotional resonance. The presentation reflects an interest in art that holds space gently yet distinctly, offering a meditative pause within the vibrant energy of the fair. Included is a new body of eleven works by Kristen Giorgi, created specifically for and debuting at NADA.

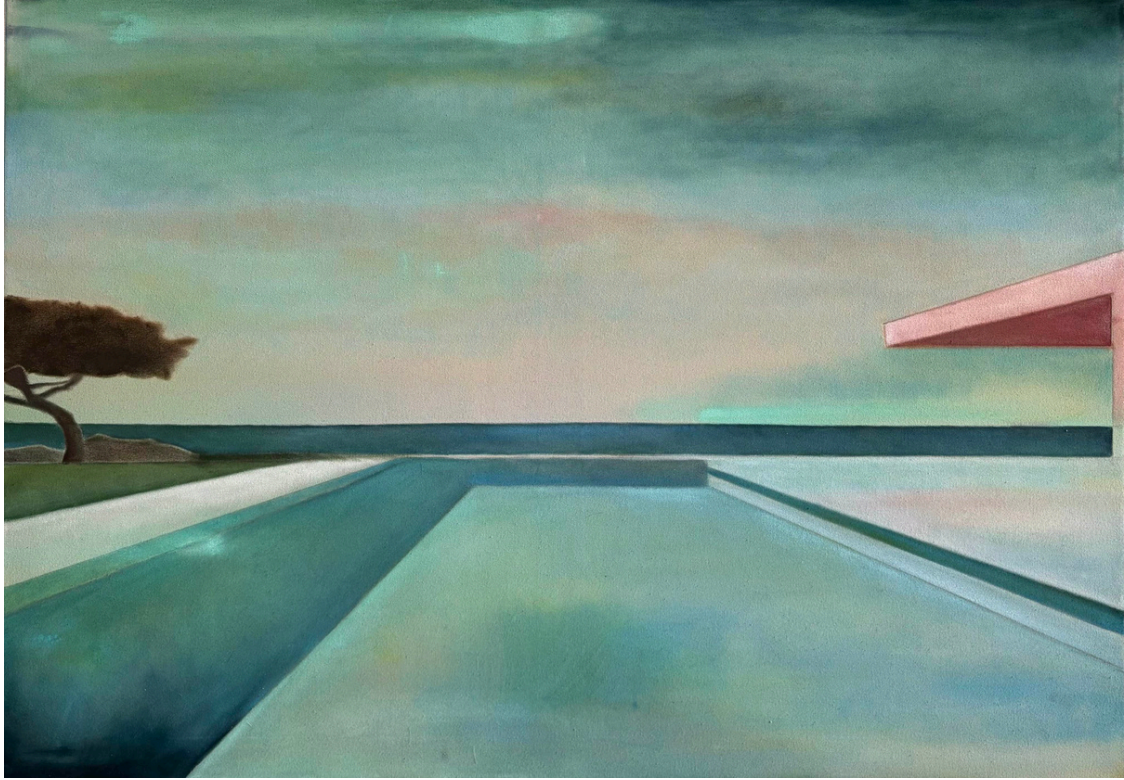

Founded in 2002, NADA is a non-profit organization dedicated to the cultivation, support, and advancement of new voices in contemporary art. The 2026 edition of NADA New York brings together over 110 galleries, art spaces, and nonprofit organizations from 15 countries and 46 cities, continuing the fair's commitment to discovery and dialogue within the contemporary art landscape.
